**Programs for International Students
from Kindergarten to Grade 12**

**Join Canada's largest and most
diverse school board.**

Learn more about our programs.
www.studytoronto.ca |  @TDSB_ConEd_Int

Ontario is an international leader in public education. Our students are among the highest performing in the world.

Toronto is an international hub that is ranked one of the most livable cities.

- Safe, clean and beautiful
- Multilingual and multicultural
- 1,500 parks and 800 km of hiking trails

As Canada's largest and most diverse school board, TDSB serves nearly 260,000 elementary and secondary students.

- 55 percent of students speak a language other than English
- 67 percent have a parent born outside of Canada
- More than 80 percent are accepted to college or university

TDSB helps students prepare for:

- University and college applications and entrance
 - Participation in the global job market
 - Working in English
-
